Dear Dr. Eisenberg:

We are pleased to acknowledge and accept with thanks the contribution from The Council for Tobacco Research-U.S.A., Inc. in the amount of $1000 in support of the FASEB Summer Research Conference on "Lymphocytes and Antibodies," to be held June 5-10, 1993. The Federation and the societies who comprise it appreciate your interest in assisting us to improve scientific communication. The funds will be used by the chairperson of the conference, Dr. Laurie Glimcher, to defray the travel and registration expenses for some of the speakers.

We extend an invitation to the scientists of your organization who are interested in applying to any of the FASEB Summer Research Conferences. In 1993, there will be eighteen conferences held under our auspices - ten in Saxtons River, Vermont and eight in Copper Mountain, Colorado.

Please express to the appropriate officials our thanks and appreciation for your generous support of this conference.

Sincerely,

Adele F. Hewitt
